WOMAN DEVELOPMENT CELL

Prevention of Sexual Harassment – (PoSH)

SKR Engineering College is a coeducational institution with around 50% of female students. The College provides equal opportunity to boys and girls to develop their leadership qualities with quality education. However, there are a large number of women who work hand in hand with men here.

This cell aims at sensitizing the students and staff and working diligently to prevent sexual harassment in the college. Complaints of sexual harassment shall be lodged with the committee and appropriate disciplinary action shall be initiated by the members in accordance to the rules and regulations of the College.

Functions of PoSH

To prevent the Sexual harassment of women
To prevent gender discrimination and sexual harassment against girls by promoting gender equality among students and employees
To conduct periodical programmes on women empowerment.
To provide conducive environment and congenial atmosphere for women both students and staffs.

The committee consists of members of the faculty, a legal advisor, an observer and student representatives. The members of the committee for the current academic year are
